## Glorious Glamping

For a true getaway from modern life, take a glamping break out in the woods at the wonderful Jollydays, in North Yorkshire. Fabulous for couples and families alike, they offer a range of fully equipped bell tents and woodcuter huts set in beautiful woodland, on the outskirts of York. You'll be toasting marshmallows on the campfire and enjoying the rooftop baths by candlelight. Glamping has never looked better! Jollydays are also opening their sister venue, The North Star Club, this summer with a small number of luxury cabins set in the Yorkshire Wolds.

You won't find a more enchanting place to unwind. [www.jollydaysglamping.co.uk](http://www.jollydaysglamping.co.uk) [www.northstarclub.co.uk](http://www.northstarclub.co.uk)

## Learn to bake like Betty!

Yorkshire institution Betty's Bakery has opened its hallowed doors and now runs a range of cookery courses from its Harrogate craft bakery. With classes covering everything from afternoon tea, bread making and biscuits to patisserie, there is something for everyone. Personally we would want to make some cheeky Fat Rascals, Betty's signature bake! A full list of courses is available at: [www.bettyscookeryschool.co.uk](http://www.bettyscookeryschool.co.uk)
