### IN THE NORTHWOODS

**Nicola Hall is our resident woodland crafter based at the Craft Cabin where a wide variety of crafts are on offer. Nicola left a career in advertising in London to pursue her twin passions of County crafts and leading volunteer teams in outdoor activities at places such as the Yorkshire Arboretum and Castle Howard, we're delighted that she has chosen to join us.**

#### CRAFTS

Nicola's activities range from weaving woodland garlands using seasonal flowers and plants that can be found in the woodland to making your very own ecologically friendly beeswax food wraps. (Forget the clingfilm, and use these lovely hand-crafted wraps for your sandwiches instead)! Other activities include crafting your own natural beeswax cosmetics, lip balms and candles. Or making rag-rugs - large ones that your group can make together or individual samples to decorate your home.

**Prices are from £10 per person and each session takes approximately 1 hour.**

**You can find out more by contacting Nicola directly either by email or phone.**

### WOODLAND ACTIVITIES

Nicola also leads group activities in the woodland. The emphasis here is on learning new skills, - You could be finding out how to get honey from a beehive, starting a fire the old way (what, no matches!) or doing a trust walk where your friends or colleagues lead you through the woods blindfolded (how much do you really trust them?)

Whether you are a hen party or on a corporate team-building exercise, you will have a lot of fun learning new things about yourself and also your friends and colleagues.

**Prices start at £15 per person & each session lasts between 1.5 - 2 hours.**

## IN THE NORTHWOODS
